I. DISCOVERY COMPLETED TO DATE

The parties have exchanged their initial Rule 26 Disclosures and multiple Supplemental Disclosures. Plaintiff has responded to written discovery (Interrogatories, Requests for Admissions, Requests for Production of Documents) propounded by each of the Defendants. Each Defendant has responded to numerous written discovery requests from Plaintiff. Currently the parties are attempting to resolve a discovery dispute about the production of certain documents. Defendants filed a Motion for Protective Order on June 11, 2021, Plaintiff's response was filed on June 25, 2021, and Defendants filed a Reply on July 2, 2021. The Court granted the Protective Order on August 11, 2021 precluding Plaintiff from propounding additional written discovery on Defendants absent permission from the Court.

The deposition of Defendant Merrick has been taken. The LVMPD Defendants served numerous third-party subpoenas; many out of state.

II. DISCOVERY YET TO BE COMPLETED

The LVMPD Defendants are still attempting to obtain responses to various out of state subpoenas.

The depositions of Defendant Cody and Plaintiff still need to be taken. Thereafter, additional third-party depositions may be noticed.

Plaintiff's deposition has not yet been taken.

III. REASONS WHY REMAINING DISCOVERY HAS NOT BEEN COMPLETED

The parties have been diligent in their attempts to complete discovery, however, more time is needed. The discovery in this case has been more voluminous than initially anticipated by the parties. Defendants have raised claims of privilege and confidentiality-based objections. In addition, Defendants served a 10th Supplemented Disclosures on August 12, 2021 and provided numerous training records regarding witness identifications among other subjects. Further, the parties have been occupied with extensive motion practice in this case. Among other things, Defendants filed a Motion for Judgment on the Pleadings on July 2, 2021, Plaintiff filed her response on July 9, 2021 and Defendants' filed their Reply on July 16, 2021. No ruling has yet been issued. The motion practice has temporarily diverted the parties' resources from discovery.

dispositive motions or further order of this Court. The disclosures required by Fed. R. Civ. P. 1 2 26(a)(3) and any objections shall be included in the final pretrial order. 3 This request for an extension is made in good faith and joined by all the parties in this case. 4 The request is timely pursuant to LR 26-3. Trial is not yet set in this matter and dispositive motions 5 have not yet been filed. Accordingly, this extension will not delay the case. Moreover, since this request is a joint request, neither party will be prejudiced. The extension will allow the parties the 6 necessary time to complete discovery. 7 DATED this 23rd day of August, 2021. 8 PETER GOLDSTEIN LAW CORP 9 KAEMPFER CROWELL 10 By: /s/ Peter Goldstein By: /s Lyssa S.
